I can't put it into any better words, how you helped a person who seemed like the world came to an end, and realize how many loving people cared. Again "Thank You" from her husband Joseph, his family and Bernice's family. ## Marriage Moments

When your hobbies differ and compete, does your spouse get stuck with the burden of extra chores, childcare, or unwanted alone time as a result of your recreation? Does your hobby take a lot more time than your spouse's? If not, rejoice.

## Parenting Pointers

"Did you wash your hands before coming to dinner?" is a common parental question. But just as important is coming to dinner with a clean heart. Sure, squabbling will happen, but if you as a parent can stay calm and centered, the odds are you can more effectively deflect sibling squabbles or food complaints.

## Word of Life

For caregivers of those who are sick or dying: May they find helpful support in family, friends, and the parish community.
