Following Christ in a consumer society like ours is not an easy task. As a result, we are trained not to give anything, but to always pay for what we get; and to expect everyone else to do the same.

Marriage Moments

It is natural to want stuff - food, clothing, shelter are necessities. Fashionable clothes, eating out, and electronics are not evil. BUT, how do you reconcile these desires with "How hard it is for those who have wealth to enter the kingdom of God!" (Mark 10:23) How much is enough? Decide at least one thing to give away today.

Parenting Pointers

Children make mistakes. That's natural. Of course you forgive them. For example, they may promise to never drink and drive again. Believe them. But this doesn't mean you enable a teen by being blind to reality. Forgive but verify. (*Parenting Your Adult Child*)

Word of Life

For all of us, who are called by name to be disciples of Christ: May he give us courage to open our hearts to those who are most vulnerable during this Respect Life Month and always.
