\* Parishioner rates are offered to all children registered at any Archdiocese of Newark parish. Families must provide proof of parish registration. Please note that the Parishioner rate is based on the principle of Stewardship. It is expected that parents contribute to the parish by using their time, talent, and/or treasure towards the mission of their home parish which, in turn, strengthens the Academy. Parishioners are expected to use the parish envelope or ParishPay systems where available.

Please be advised that by signing your registration and tuition contract, this secures your child's place for the school year at St. Bartholomew Academy. Should, for any reason, parents find it necessary to withdraw a student, St. Bartholomew Academy shall retain 80% of the overall tuition paid and refund 20% to the withdrawing family. We realize that circumstances arise, forcing parents to make this extremely difficult decision. However, from an operational expense perspective, we feel this formula to be more than fair for all concerned, defraying the costs of losing a potential student that would have attended if a seat were available to them.

### **Financial Aid:**

**Financial assistance is available to all St. Bartholomew Academy families based upon need.** The Financial Aid program is a two-step process. Parents must first complete and mail the Scholarship Fund for Inner City Children (SFIC) Financial Aid Application and then submit the St Bartholomew Academy Aid Application. St Bartholomew Academy will not consider any financial aid request without your prior application to SFIC. **Please note that you do not have to live in an inner-city to be eligible for the SFIC needs-based scholarship. Please see the Academy website for more details.**
