Today we hail Christ as our King. He is the Victor over the power of death Who loves us and freed us from our sins by His own blood, and Who by Baptism has made us a royal nation of priests in the service of His Father and our God. He Who is King continues to choose men and women to serve as priests, sisters, brothers or deacons, so that the faithful may know Him, love Him and serve Him as well. Diocese of Hamilton

One Heart, One Soul Campaign

The Diocese of Hamilton is conducting the One Heart, One Soul Campaign to raise money for every Parish in the Diocese and for shared ministries. Answers to a set of Frequently Asked Questions appear in Parish bulletins regularly. A compilation of all questions that have been published are available throughout the campaign at oneheartonesoul.ca.

How will the Parishes benefit from the campaign?

This campaign is first and foremost about the renewal and transformation of Parishes. That's why 75 percent of the funds raised will go toward Parish projects (of the Parishes' choosing). In addition, a matching pool of campaign funds (10 percent of all funds raised) will be used to benefit the Parishes most in need of additional support. In many cases, a Parish in need will end up receiving more money than it raised, once the "pool" fund matches a portion of what the Parish raises.

What types of projects could the Parishes choose for the use of campaign funds?

Overall, the Parish projects should aim to bring vitality to the Parish, promote participation in Parish life, and evangelize and serve the faithful and the surrounding community. Some obvious options include building projects, renovations of existing buildings, overdue maintenance needs, debt reduction or the building up of a contingency fund. Other options might take more of a direct ministry approach, such as adding an employee to develop a new ministry or providing materials for an existing ministry.

What if we don't need a campaign at our Parish?

The success of the overall Diocesan campaign relies on the participation of every Parish community. Although some Parishes may not have a glaring "need" to be dealt with, they're encouraged to dream and plan for how they could assist more people on their faith journey. Parishes that may not have needs now will almost certainly face needs in the future – which is why some Parishes are considering using their campaign funds to create an endowment. Also, a Parish with fewer needs would be welcome to direct some of its funds to other Diocesan Parishes in greater need.

What if we're in the middle of a fundraising effort already?

The Diocesan campaign will happen in "waves" of Parishes, so a Parish finishing up a project now could be placed in the final wave of the Diocesan campaign, which will take place in late 2020 and early 2021. The campaign's clergy committee also could take that into account when fundraising goals are set for Parishes.
