Principals Report:

- Fr. Guy met with the faculty on Feb 18th to discuss his philosophy as he'd like to see us align all curriculum with a Catholic lens. He is referring to the Cardinal Newman Society guidelines integrated with our required standards.
- The faculty has formed 2 committees; one for teachers to work on curriculum and the second to examine discipline plans.
- Letters of Intent are due January 25th from teachers.
- Book recommendation...No Drama Discipline, *Daniel J. Siegel and Tina Payne Bryson*
- Catholic School Week info coming home this week for families.

Finance Report:

- Hard copies of reports were not yet available for the meeting. Matt will send out once he hears from Molly at the parish office.
- It has been requested we provide hard copies moving forward as well as enrollment data, monthly.
- There looks to be possibly a \$60,000 deficit at the end of the school year. This is slightly better than we were looking at in September.
- Annual Fund to date \$74,285.00 per Patsy. Our goal is \$100,000.
- Need to follow up with emails to those who have not donated as a reminder.

Old Business

- Strategic plan was updated. It will be posted on the school commission tab.

New Business

- CSW speakers for Masses February 2 and 3. Students will usher.
- School Commission members volunteered.
- Jamie P is working with families on bringing back a part time preschool for those families who are committed to the school and keeping their children in the grade school. This came from a listening session held on December 5th.
- Looking for passive fundraisers such as Next Door eatery, Upland etc.
