

Extended Child Care Programs

Morning Care Program begins at 7:00 am and is available for students in preschool through eighth grade. The morning care program provides a safe place for your student prior to the start of the school day. Students are requested to respect the no food policy of this program. If your child arrives before 7:30 am the cost of the program is \$2.00. Any student arriving after 7:30 is charged \$1.00.

The Creative Play Program is designed for those parents who need additional care for their 3 year old preschool student. It immediately follows the preschool program, and is held Tuesday and Thursday during the school year from 11:00am to 2:30pm in the preschool room. The cost is \$4.00 per hour. The setting is very relaxed and provides students with the opportunity of socializing in a preschool environment.

The After Care Program begins at the conclusion of the school day until 6:00 pm. This program is for students from preschool through 8th grade. The After Care Program will allow for your child to have some “down time” after school, playground activities (weather permitting) and time for their homework if they wish. A light snack will be provided. The fees for this program are as follows:
