Monthly Devotions of the Church Year (Source: www.aquinasandmore.com)

May is the month of Mary; devotion to the Blessed Mother throughout May originated in Rome in the 18th century to counter immorality and infidelity among students at a college there. It has spread through most of the Latin Church now. Because the North American holiday of Mother's Day falls in May, Catholics take this time to recall and try to emulate Mary's role as mother. Therefore, devotion to Mary in the month of May focuses both on Mary as a role model for Christian mothers, and Mary's everlasting chastity and purity, and her fidelity to God's will.
