

The Sister Mary Ann Rybarczyk Society

Continuing the Legacy of Service and Leadership through Catholic Education

As a part of our Annual Appeal, please consider joining The Sister Mary Ann Rybarczyk Society!

Sr. Mary Ann has dutifully served Catholic education since 1948 and continues to touch lives of Lake Michigan Catholic students today. Sister also served as principal of our High School and taught our students math for many years.

As a leader of our schools and in our Catholic community we have established the Sister Mary Ann Rybarczyk Society to honor her commitment and service to the schools. Sister's impact on our school has been strong and she has established a tone of excellence for her students.

In the fall, members of the Society will be invited to a special Mass and brunch in her honor. This will allow us to come together as a faith community and honor Sister and those individuals who have contributed to the Society.

Membership in the Sister Mary Ann Rybarczyk Society includes all annual contributors of \$500 or more to the Lake Michigan Catholic Schools Annual Appeal.
