Join us for catechetical Pedagogy Day next Saturday, February 23, 2019. This workshop will provide the basis for our deeper work together as catechists and teachers. This workshop is a follow up to the Mission Congress as we continue to learn how to teach out catechetical programs with children and with adults from textbooks. Rather than having a textbook drive our instruction, might it be better to have the faith of the church drive our instruction? We will learn about the key elements of faith we want to be taught as well as the essential learnings appropriate by the children's grade level. We will learn how to adjust and re-aim our teaching to specific concepts, standards, and outcomes. We look forward to coming together in faith, learning and fellowship.

**NOTICE!!**

BECAUSE OF THE INSTALLATION OF A NEW ELEVATOR IN OUR SCHOOL BUILDING, ALL ADULT EDUCATION CLASSES (& FUNERAL LUNCHEONS) WILL BE HELD IN THE ASSEMBLY PLACE, CAFETERIA OR IN PREVIOUSLY ARRANGED SPACES FOR THE NEXT FEW WEEKS.

Finally we will be able to open up our Cathedral Center again to all our parishioners & friends, LifeTeen, Spy Edge & CCD classes will still be held on the 3rd floor (& 2nd) USE THE STAIRS! Thank you! With the installation we are opening to collaboration with other entities & possibilities for future use of our great asset in our former parish school building. Already presently using 1 1/2 floors is West Chestnut Academy, a private (1-12) school and our local college & youth basketball teams (gym), Hopefully we will be able to contract a long term agreement perhaps as a satellite campus for some educational organizations, day care operation (etc). We & the Diocese are exploring options. We have a tremendous valuable asset in this building (of course it is also used weekly, almost daily, by our own parish & its needs.)

**Due to Presidents Day the parish office will be closed Monday!**
