

## St. Jude Parish Mosaic Sanctuary Angels

Our Mosaic Angels flank the Crucifix and Tabernacle and kneel in perpetual adoration before our Lord. These “Marble Mosaics” represent marble and stone from six countries. Below is a description of these two works of art:

1. The face, hands, feet, and wings – Thasos marble from Greece
2. The arm band, neck, and eyes – Blue Bahia marble from Brazil
3. The hair – Emperador Light from Spain
4. The staff – Blue Bahia from Brazil and Verdi Alpi from Italy
5. The main robe – Statuario Toh from Italy
6. The halo and flame – Jerusalem gold lime stone from Israel
7. The black outline – Black absolute marble from India
