

# Holy Family Altar Servers

Thank you for considering becoming an altar server here at Holy Family. This is a service vital to the parish, because the mass is the most important ministry the parish provides. Fr. Kyle needs help bringing Jesus to the people of Franklinton and the surrounding regions.

## Here are some the responsibilities:

- arrive 15 minutes before mass
- help the sacristan set up for mass
- help serve at mass
  - with the book
  - with the gifts
- help the sacristan take down after mass

## Other expectations

- dress appropriately
- find a replacement if you cannot make scheduled mass

## WE WILL ALSO HAVE FUN!

In gratitude for your service, Fr. Kyle will host a winter and summer altar server party. Details haven't been solidified but be assured it will be a lot of fun!

*Altar Server training will be on Sat. October 6. Please turn in this registration form to your class or the Church office by October 4. If you have any questions please call Fr. Kyle at (985)237-0972*
