

Service Opportunity Support Commitment to St. Francis de Sales Catholic School

2018-19

SFDS Parents are required to make a service commitment of ten (10) points to St. Francis de Sales Catholic School each school year.

This commitment can be made in time, talent, and/or treasure. Parents will track their own S.O.S. points in the green binder in the front office.

Payments of \$10 per "point" may be made in the front office before the last week of school to complete the balance of your service "account".

I understand my service obligation to St. Francis de Sales Catholic School.

Please return this signed form by Aug. 17, '18

Please indicate specific opportunities for which you would like to be contacted for assistance.
