

We need your help so...
You're Invited!

**In place of our next General Meeting,
we have a hands-on project**

Skilled care services have evolved over time to expand beyond traditional nursing home care. Southland Health & Rehabilitation can help you choose the appropriate level of care for your loved one. If your loved one will only be with us for a short-term stay we can offer a full service of transition of care.

Help us provide each resident with a lap blanket and a Christmas Card.

November 18

**Stay to tie a couple of blankets and sign a Christmas card or two!
Make it a family Nativity Lenten Activity!**
