Itinerary

- 9:30** Leave Sacred Heart Newton (stop at rest area in Hooksett, NH on the way)
- 12:00** Arrival to Squaw Lakes Science Center, Tamworth Pavilion
- 12:30** Dinner
- 2:00** Lake Cruise or Animal Presentation
- 3:15** Board Bus (stop at rest area in Hooksett, NH on the way)
- 6:30** Approximate return to Sacred Heart, Newton

Lake Cruise Details:

Enjoy a Science Center Lake Cruise on a covered pontoon boat and experience the beauty of Big Squam Lake and learn about the natural forces that created this lake, the wildlife that makes it so special, and the people who have enjoyed it for over 5,000 years. Binoculars will be available for wildlife viewing.

Live Animal Demonstration Details:

Curious about the critters that inhabit the Granite State? Meet some of the wild animals you might see on a hike and learn what makes them suited for life in New England. Live Animal Program will be presented by a Science Center Naturalist, showcase native New Hampshire animals up-close. The animal presentation will take place in the same room after dinner.

Please visit the Squaw Lakes Science Center website for more information www.nhnature.org
