## Student Computer Acceptable Use Pledge

2018-2019

**Pledge:** We the students of St. Cletus School agree to learn and to work together to remove any *inappropriate language and material* at our school so it is always a safe and peaceful environment.

- You shall remember that you and those you communicate with on the Internet are created in the image of God and you shall treat all people with respect.
- You shall take personal responsibility for holding up the dignity of all people by refusing to take part in activities that embarrass or threaten another person.
- You shall communicate with your parents or other trusted adults if someone or something on the Internet makes you feel uncomfortable.
- You shall not participate in cyber-bullying; your messages will be truthful and will not harm others.
- You shall take personal responsibility for protecting your name, your passwords, and all of your personal information while using the Internet.
- You shall not use the passwords of others at any time or for any purpose.
- You shall use security software and update it regularly.
- You shall never meet someone “in person” whom you’ve “met” online.
- You shall never use the Internet to steal someone’s graphic, written, recorded, or real property.
- You shall always think twice, and then think again, before clicking your “send” key.

**By signing this pledge, I am making a promise to my peers and to my school community. I \_\_\_\_\_, promise to follow these pledges for the 2018-2019 school year.**
