**DO YOU KNOW OF ANYONE INTERESTED IN BECOMING CATHOLIC?**

The Rite of Christian Initiation of Adults is a program for adults who desire to become fully initiated members of the Catholic Church. RCIA helps adults grow in their relationship with God, become familiar with Catholic teachings and practices, get acquainted with the faith community and get involved in service within the community as a whole. Many people who want to join the Catholic Church have already been baptized in another Christian Church. They do not need to be rebaptized. They participate in the process with those never baptized to familiarize themselves with the Roman Catholic Tradition. Others may have been baptized in the Catholic Church and need to complete the sacraments of initiation by receiving first Eucharist and/or Confirmation. All will have an opportunity to grow in their relationship with God and learn more about the faith before receiving the Sacraments.

If you know of someone who might be interested in learning more about RCIA, call the rectory to speak with Fr. Monroe or Karen Barrows or email them: [cmonroe@ourladyofangels.org](mailto:cmonroe@ourladyofangels.org) or Karen at [kbarrowsola@aol.com](mailto:kbarrowsola@aol.com).

## ANOINTING OF THE SICK THE MYSTERY OF ILLNESS

We get hurt. We wear out. The lungs, the eyes, the memory, and any of the many limbs and organs that compose us break or ache. Gloom comes over us then: pity for ourselves, sorrow, depression, anger. But hope can come, too, and courage, and sometimes peace.

All of this is marked and celebrated in the rites of our tradition. With a word and a deed, with touch and breath and spit and mud, Jesus heals those who ail. In every place and time, we who are the church remember and tell stories of healing, anoint the sick with oil and share the one bread even with those who cannot assemble for Mass. Thus the sick and the healthy, the homebound and the spry, saints and sinners are made one and remain one, a single body of many parts.

Anyone who is seriously ill can be anointed, including the elderly who become weaker, even if no illness is present; those waiting for surgery when a serious condition is the reason for the operation; sick children who have sufficient use of reason to be helped by the celebration; and those who are unconscious or who have lost the use of reason, provided that they probably would have asked for the sacrament had they the use of their faculties. Furthermore, many forms of mental illness are now known to be serious. So the mentally ill may be anointed, provided that they will be helped and not harmed by the rite. If you have questions, consult a priest or other parish leader.

The most complete celebration of the sacrament is a communal one, a celebration in which those to be anointed are surrounded and supported by other members of the Christian community, whether at home, or in the house of the church (for those who can leave their beds and come here). Here at Our Lady of the Angels Parish, we have communal celebrations of the Sacrament after all the Masses on the weekend of the Feast of Christ the King.

In song and in silence, with scriptures and prayers, we strengthen the bonds of love and faith that are stronger than the most lethal disease and more powerful even than death.

The rite of anointing has the priest lay hands on the head of each person to be anointed in silence, an ancient sign of the moving of the Holy Spirit to heal and save. Then a prayer is said over the oil of the sick. Finally, the priest anoints the head and the hands of the one who is sick. While anointing the sick person's head, the priest says "Through this holy anointing, may the Lord in his love and mercy help you with the grace of the Holy Spirit." And all answer "Amen!" While anointing the hands, the priest says, "May the Lord who frees you from sin save you and raise you up." And again, all answer "Amen!" A final prayer is then said and the rite ends with a blessing. If you or someone you know is in need of the anointing, please call the parish office.
