- Distributive property
- Arrays and partial products

Topic 4: Multiply by 2-Digit Numbers (up to lesson 4-7)

- Multiply by multiples of 10
- Estimate using rounding
- Arrays and partial products
- Distributive property

## ELA Unit Test for Grade 4

- The exam will have two reading passages that you will need to answer multiple choice questions for. Essays will be based on the passages that are on the Unit Test.
- Know that a suffix is the part of a word that comes after another word part. For example: Observational (the base word is observe and the suffix is –ational) For practice refer to page 29 of Reader’s and Writer’s Workbook.
- Know base words and word endings “er, est”. For practice refer to page 16 of Reader’s and Writer’s Workbook.
- Know the different forms of “to, too, two” and “their, there, they’re” Refer to Pg 51 and 97 of R&W Workbook.
- Fragment- incomplete sentence or thought
- Complete sentence- an entire sentence or idea
- Run-on- multiple ideas that can be broken up into multiple sentences (Refer to Pg 76 for review)

## **Grade 4 Religion Midterm Outline**

-Study the review questions at the end of each chapter from Chapters **1-4** (Pgs, 28, 30, 40, 42, 54, 66) and study notes from the Advent section of the notes you received in class.

Vocabulary To know:
