

With Paula, let God act in us...

3rd. week of February

Let us also give God the most precious gift we have, that is our will, allowing ourselves to be moulded by Him, as clay in the potter's hands, convinced that whatever God does with us, all will be for our true good.

(Saint Paula Frassinetti L.102,6)

- *Let us remain in God's hands like clay in the potter's hands and let Him do with us whatever pleases Him.*
