Dear St. James Parish Family and Catholic School Community,

I am excited to announce that we have completed the formal search process for our new Principal. After several months of searching, combing through applications and interviewing, we have hired Stephanie Feuerborn. She grew up in the Diocese of Wichita and went through Catholic Schools her whole life. Stephanie currently teaches at St. Catherine of Siena Catholic School in Wichita, and while there, completed her Masters in Administration.

Personally, I am incredibly excited about her strong Faith, commitment to academic excellence, and understanding that Catholic education is unique in its ability to form the whole person, body and soul. I am confident, that she will continue to grow the good that already exists in our school, and explore new horizons to make St. James the Greater Catholic School strong and vibrant.

I wish to thank the hard work of our search committee and the Catholic Schools Office for helping me to find the next Principal of our beloved school.

Please join me in welcoming her home to St. James!

St. James the Greater, pray for us!

In Christ,
Fr. John N. Hay, Pastor

Ms. Stephine Feuerborn

I feel so blessed to be the new principal at St. James! My name is Ms. Stephanie Feuerborn, and I'm excited to begin my journey in administration after teaching for the last 15 years. I am a product of Catholic schools, attending in Wichita from Kindergarten at St. Francis to Graduate School at Newman University. I spent most of my career teaching First Grade, but my most recent position was teaching Fifth Grade at St. Catherine of Siena. Catholic education is truly my passion.

I'm grateful to have taught so many children to read over the years, but it's the relationships with God that I helped to foster that I'm most proud of. I will bring this love for God, as well as high academic expectations, to St. James. Thank you for inviting me to be a part of your community. I look forward to meeting all the students and families in the coming months.
