## **E-Reader Acceptable Use Policy & Agreement Form**

Electronic readers, simply called “e-Readers,” are digital devices whose primary function is to store books, periodicals, magazines, and other print media. A device whose primary function is to communicate or play music or games, but allows electronic books, would not be classified as an eReader under this policy.

Sacred Heart School, in striving to maintain technological relevance in education, is providing the opportunity for students to use these devices in accordance with our eReader Acceptable Use Policy. This opportunity is a privilege that requires extra caution and responsibility both on the part of the students and their parents.

### **E-Reader Acceptable Use Policy**

The wide variety of hardware and software capabilities of available e-Readers makes them challenging to monitor and control in a school environment in contrast with school owned technology assets like computers, etc. Therefore, our e-Reader Acceptable Use Policy needs to be specific and clear. A student who violates any portion of the e-Reader Acceptable Use Policy will immediately lose the privilege to use their e-Reader at school and may receive other school discipline.

- A. Possession and Use of Electronic Reading Devices** Students may possess e-Reader devices on school premises for specific educational purposes and may use these devices under the direct supervision of a professional staff member or to further reading instruction.

The following stipulations apply:

1. Student use of a personal e-Reader requires consent of the student and the parent/guardian by signing an appropriate form indicating that the student and parent/guardian have received, read, understood, and agrees to abide by all applicable policies and guidelines. The parent/guardian may withdraw approval at any time.
2. All e-Readers must be registered with the Sacred Heart Technology Teacher and accompanied by the Acceptable Use Agreement Form signed both by the parents and the student.
3. E-Readers are to be used only for the reading of school approved material (books, etc.) and not to be used for other purposes unrelated to curricular goals. Other purposes such as communication, entertainment, music, gaming, recording of images or audio, etc. are prohibited while on school property and/or off school property at school-sponsored events.
4. All material on the e-Reader must comply with the spirit and policies of Sacred Heart School. Please refer to the Parent-Student Handbook for more details.
5. All e-Readers must have cellular and network capabilities disabled (turned off) while the device is at school.
6. All e-Reader must have sound turned off and any screensavers and backgrounds must be appropriate for school.

7. E-Readers must be used at appropriate times in accordance with teacher instructions. The e-Reader must not be a distraction for the student or those around her nor be a source of any classroom disruption. Students must promptly comply with teachers' request to shut down and put away their device.
  8. E-Readers are not to be used during lunch time.
  9. The student is responsible for knowing how to properly and effectively use their e-Readers. Sacred Heart staff cannot provide any means of support for the device.
  10. The use of the e-Reader on school property and/or off school property at school-sponsored events carries no right or expectation of privacy. Sacred Heart reserves the right to monitor, review, and restrict the use of any personal e-Reader. The contents of the equipment are subject to review at any time, for any reason.
  11. E-Readers must be taken home daily by the students and may not be left at school overnight.
- B. Fiscal Responsibility** Sacred Heart School assumes no responsibility in any circumstance for loss, destruction, damage, theft, or charges made on monthly statements for an electronic reading device.
- C. Data Responsibility** Sacred Heart School assumes no responsibility for any data contained on any personal electronic device.
- D. Misuse of the e-Reading Device**
1. Violations of these Guidelines will result in confiscation of the equipment and termination of the privilege to bring a personal e-Reader to school.
  2. Violations may also result in appropriate school disciplinary action, up to and including suspension and/or expulsion.
