

# SACRED HEART NEWS

January 25, 2019

*Jesus Calling:* "Let My love enfold in you in the radiance of My glory.... Bring Me the sacrifice of your time and watch to see how abundantly I bless you and your loved ones" (Young, 26).

**Please note the following announcements, dates and events:**

1. Last weekend, Sacred Heart students participated in the ***Future City of Philadelphia*** competition at Archbishop Carroll.

Students had to create and design a city that takes place 100 years in the future featuring a power grid capable of withstanding a natural disaster. The students compiled an essay, powerpoint and construction plan, created a Sim City simulation, constructed a 3D model, then presented their model via a skit. A team of engineers and professors came around to SHS's assigned table to ask questions and make comments on their city. Three students (Shannon Pagan, James Pagan, and Shannon Daly) presented the 3D model and performed a skit to a panel of judges.

Sacred Heart won the **Best Coordination of Engineering Disciplines Award**, plus they have been invited as one of a few schools to attend and bring their 3D model to the International Society of Engineering's Expo at Lincoln Field in the spring!

Congratulations on all your hard work and your creative ideas! Students who attended were: ***Abby Gondek, Bridget Murphy, Joe Messina, Charanpreet Kaufman, Jahmir Taylor, Aaron Dolley, Collin Sheridan, Jacklyn Dang, Katrina Dominski, Ana Brotherston, Shannon Pagan, James Pagan, and Shannon Daly.***

**Additional thanks to Ms. Travers for facilitating this group!** Your dedication and generous gift of time and commitment is a testament to your outstanding leadership in the classroom!

2. **Catholic Schools Week is Jan 27-Feb 1.** See below for the week's agenda:
