**Today is the 17th Sunday in Ordinary Time.** From today through the end of August, we journey through the 6<sup>th</sup> chapter of John concerning the identity of Jesus as the Bread of Life. We begin this chapter with the story of the multiplication of the five barley loaves and two fish. The story talks about the lack of earthly resolutions to feeding so many, but Jesus gives thanks and distributes the food foreshadowing the Eucharist. Through the miracle, Jesus provides more than enough for everyone to have their fill. His work is a ministry of nourishment for it is the will of his Father that he should feed people, even with his very life.

*Are you a registered member of St. Thomas the Apostle Parish?*

Registration implies a definite commitment to join in the worship of our parish community on a regular basis, and to the stewardship of your time, your talent, and your treasure. Please do not take for granted that you are registered in the parish simply because you attend Mass here on a regular basis. If you have not formally registered with the parish office, you should consider doing so. Please note that any individual 20 years of age or older, unless in college, should be registered separately from their family. This will avoid problems and misunderstandings, especially for Baptisms, Marriages, or requests for sponsor certificates.

*Please remember Dorothy Zadai in your prayers. May she rest in peace.*

The Knights of Columbus are still collecting bagged aluminum cans. They can be placed in the collection trailer near the back of the parish center.
