**AS A WELCOMING FAMILY OF FAITH, WE ARE CALLED BY CHRIST THROUGH PRAYER,
TO SHARE THE GIFTS OF WHO WE ARE AND WHAT WE HAVE IN LOVING SERVICE TO ALL.**

THE CALL TO DISCIPLESHIP

The core vocation in the Gospel of Mark is the vocation, or call, to discipleship. Today's Gospel passage provides us with one last example of what the vocation to discipleship means, and one example of what it doesn't mean. A destitute widow shows us that discipleship means following Jesus' way of service, even if it requires giving one's livelihood (or life). The scribes show us by their bad example that discipleship should entail a vocation to extend God's care to those who are most in need. In our reading from the book of Kings another widow and her son are close to death. They too give what little they have, but they are rewarded by Elijah with food enough for a year. And the reading from the Letter to the Hebrews reminds us that Jesus sacrificed his life "to bring salvation to those who eagerly await him" (Hebrews 9:28). Copyright © J. S. Paluch Co.

TREASURES FROM OUR TRADITION

Veterans Day began with the signing of a symbolic treaty between the Allies and Germany ending World War I (then called the "Great War") on the eleventh hour of the eleventh day of the eleventh month. The auspicious date was actually a well-established religious holiday, the feast of Saint Martin of Tours, a beloved soldier saint of the army of Rome. After World War II, Armistice Day was changed to Veterans Day in the United States and Remembrance Day in Britain, but of course the feast of Saint Martin endures. Martin was named after Mars, the god of war, and against the advice of his parents he went on his own to church. He became a catechumen at the age of ten. By fifteen he was enlisted in the cavalry in France. Coming across a poor man, Martin had an impulse to divide his bright red soldier's cape and clothe him. He later had the insight that he had served Christ, and the other half of his cape became a life-long sign to him of his duty to serve the poor. Housed in a tiny church *capella* or "chapel," the cape became a great object of pilgrimage on the way to Compostella, and a favored place for the prayers of soldiers. Martin was not so eager to serve as bishop as he had been as a soldier, and legend says that he hid in a barn filled with geese to avoid episcopal election. To this day, the customary meal for November 11 is goose! Traditionally, this is the last feast day before winter closes in, and begins a period of fasting once known as "Saint Martin's Lent" or "Martinmas," that later developed into the season of Advent.

This Remembrance Day, each of the one hundred peals will honour the more than 66,000 Canadians and Newfoundlanders killed and the over 172,000 wounded and countless others who suffered invisible yet painful wounds. In Goderich, our bells will peal at 7:00 p.m. in celebration and commemoration.
