**SUNDAY, NOVEMBER 18, 2018 — 33RD SUNDAY IN ORDINARY TIME**

**AS A WELCOMING FAMILY OF FAITH, WE ARE CALLED BY CHRIST THROUGH PRAYER,  
TO SHARE THE GIFTS OF WHO WE ARE AND WHAT WE HAVE IN LOVING SERVICE TO ALL.**

### **ENCOURAGEMENT**

This Sunday's Gospel is our final selection from Mark for this liturgical year. It is taken from the end of Jesus' teaching in Jerusalem immediately preceding the account of his arrest and passion. In it Jesus gives his disciples hope to sustain them through his passion and death and any persecution or suffering that they would encounter after his resurrection. The words from the book of Daniel also provided hope and encouragement to the people of Daniel's time. The encouragement in these scriptures is meant for us as well, for none of us will escape tribulation in our lives. Followers of Jesus will be able to endure suffering with joyful hope, knowing that Christ's love will lead us along the way of discipleship and give us eternal life with God. Copyright © J. S. ### **TREASURES FROM OUR TRADITION**

November is a month of remembrance for the dead, and cemeteries have long been a focus for prayer. Our tradition holds great respect for bodily remains, since the body was created and redeemed by God, was once the "dwelling place of the Holy Spirit," and has a destiny of life with God in glory. The funeral practices of the early church contrasted greatly with those of the pagans, who had a great dread of the dead body. The ancient Christian funeral liturgy ended with the relatives and friends giving a final kiss to the body. It expressed affection and showed their faith that the grave would not be the last word. This kiss horrified pagans, who thought that any contact with the dead was degrading. Every year on their loved one's "birthday to life," the Christians would return to the place of their burial to mark their profound communion with those whose lives were hidden in Christ. Typically, they buried the dead with their faces turned toward the east, symbolizing the rising of the Sun of Justice, Christ, at the end of days. They were attracted to the catacombs or burial grounds just as we are today. They would often celebrate the Eucharist at the tomb. Before long, as soon as Christians were allowed to build places for worship, they relocated cemeteries from beyond the city walls to surround the church. This was not so much because the church made the ground holy, but because the bodies of the saints hallowed the ground on which the church was built, a subtle but beautiful difference.

**SHARE THE JOURNEY: No one should be forced to flee their home**~this year, Development and Peace – Caritas Canada is joining forces with Pope Francis and Caritas Internationalis by inviting Canadians to share the journey with those living the tragedy of forced migration. Launched in Rome in September 2017, the Share the Journey campaign aims to create a "culture of encounter" by educating the public to the realities of those forced to flee their homes and creating opportunities for encounters between them and local communities. Some facts: Every minute, 31 people are forced to flee their homes. 68.5 million people in the world today are forced migrants. 68.5% of refugees come from 5 countries: Syria, Afghanistan, South Sudan, Burma, Somalia. Parishioners are asked to sign the action card to the Prime Minister asking the government do more to address the root causes of forced migration.
