All pastors, parochial administrators,
parochial vicars, school administrators

Dear everyone,

Thank you to everyone who acknowledged receiving a mailed packet from Archbishop Byrnes related to the posting of the “Sexual Abuse Bar Date Notice Package” per our Chapter 11, Reorganization.

The letter included a form asking recipients to complete and return to us using a self-addressed, stamped envelope that was provided. Thank you especially to many of you who have responded and returned the form.

If you haven’t yet posted on your websites or are unsure how to do so, please visit our general archdiocesan website at <https://aganaarch.org> for an example of how it can be posted. See the gray box near the top of the main page titled “SEXUAL ABUSE BAR DATE NOTICE”

The two documents that were enclosed and we ask groups to post are 1.) "**Notice of Deadline for Filing Claims Relating to or Arising from Sexual Abuse**" and 2.) "**Sexual Abuse Proof of Claim**" form, issued in Case No. 19-00010 by the United States Bankruptcy Court for the District of Guam. Together, these two documents comprise the **“Sexual Abuse Bar Date Notice Package”**.

Please **post these documents on your website** if you maintain one, through August 15, 2019. To also post on your bulletins or newsletters, you can simply refer readers to your website link, the archdiocese’s website or a link to the scanned copies of the two documents. Digital copies of those two documents are sent here.

Thank you.
