## Attention High School Graduates

Our Diocese will be working with Newman Connection to implement a High School Outreach Program. Newman Connection is a non-profit organization working with our campus ministries as well as with campuses nationwide to connect graduating high school seniors to their Catholic campus ministry.

We need to obtain the names of our high school graduates and where they are going to college. We DO NOT require a phone number, email, or any personal information, simply the Name and campus they will be attending. With this information, we will be able to successfully connect the students to their college faith community. The youth of our parish are the future of our Diocese!
