

# WEEKLY NEWS

**ASSUMPTION SCHOOL WEEKLY NEWS**

**June 5, 2019**

Dear Parents and Students-

I will just keep saying it... where has the time gone???? Next week will have some fun activities. To learn about the week's happenings, please read the contents of this envelope and of course, check out the website.

This week will feature two big events: our PreKindergarten and Kindergarten graduations. The littlest of our students will experience a big event that leads them to the next level of their education. I am proud of each of these students and their accomplishments this year. Way to go!

Our Mass on June 10th has been changed to a regular 9:00 AM Mass. Sorry for any inconvenience. We look forward to seeing you there!

Have a great week!

Blessings, Mrs. Olson =)

Please remember that all accounts must be paid in full by June 14th. This includes tuition, extended day, and fulfillment or payment of service assessment hours.

Thank you.
