

# Preschool Newsletter

Week Ending September 14, 2018

## What's happening in Preschool?

The first full week is done! All the children are doing a great job with the rules and learning what it means to stand quietly in line. We have been practicing preschool songs and our zoo phonics song.

This week we painted, used dot art, and practiced our names and letters. They did amazing taking pictures, we can't wait to see how they turn out!

Continue to help at home with building gross motor skills. Use scissors, play with play doh, play with building blocks, are all examples of how to grow your child's hand strength and skills.

Thank You for allowing us to spend time with your children. We love watching them grow!

## This week we ...

- Continued Zoo Phonics Song
- Shapes & Sorting
- Began Identifying and Writing our First Name
- Lowercase Letters a - d
- Numbers 1 - 4
- Science - Will it sink or float?

## Dates & Reminders
