Week Ending September 21, 2018

What's happening in Preschool?

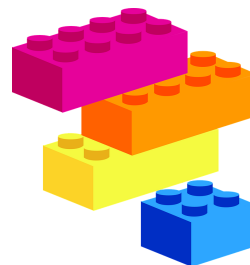

We have practiced a tornado drill and a fire drill now! The children did great listening to directions and staying in line. Next week we will practice a lockdown drill, do not be alarmed! We tested our school notification call system, if you did not receive a message last Friday please let us know.

This week we painted, compared sizes, and practiced our names and letters. They did amazing listening to a story of Joseph's Coat of Many Colors, and did chalk art to show Joseph.

Thank You for allowing us to spend time with your children. We love watching them grow!

As always, if you have any questions or concerns, please contact Ms. Amy at asaltzman@stmarycharlotte.org.
