

Preschool Newsletter

Week Ending September 7, 2018

What's happening in Preschool?

Your children have been a blast this week! They are doing amazing learning our daily routine and rules. We did not get outside too much this week, but we did enjoy time in the gym playing. The children had fun with the scooters, parachute and balls!

This week we made bears with glue and oatmeal, painted and had fun with musical instruments.

As we begin this school year, help the academics continue at home. Reading books, identifying colors, shapes, singing the alphabet are all examples of how to reinforce what they will be learning throughout the next months.

Thank You for allowing us to spend time with your children. We love watching them grow!

This week we ...

- Discussed What is School?
- Began Zoo Phonics Song
- Began Identifying and Writing our First Name
- Lowercase Letters a - c
- Numbers 1 - 3
- Math Materials, Big or Small

Dates & Reminders

Sept. 13 Picture Day - If this is not your scheduled day, please let me know if you want to change a day or you may come just for pictures. Forms were sent home Friday.

Sept. 17 No School / No Preschool - This is a recent change to the School Calendar. Please let me know if you need child care this day. If you are scheduled for Mondays, you may pick another day of the week to bring your child to Preschool.

Reminder - Please submit Health Appraisal and Copy of Immunizations by Sept. 21st.

As always, if you have any questions or concerns, please contact Ms. Amy at asaltzman@stmarycharlotte.org.
