Return your  
Lenten Giving Box by April 30

*“...cultivate in little ones the missionary spirit, so that there may arise from among them witness of the tenderness of God and announcers of His love.” --Pope Francis*

“Lent is a special time of the year when we prayerfully prepare for the great celebration of Easter. For 40 days we are asked to take extra time to remember all that Jesus taught us while He was on earth and how He suffered and died for us on the cross... During Lent we are asked to pray, fast and give more than usual... Say extra prayers and make some sacrifices – especially for your brothers and sisters in mission countries.” --*Missionary Childhood Association*
