Shoe Boxes for Soldiers

Every year our PSR students participate in two service projects. Our first project is unique this year as to other years. PSR students will be collecting various items in an effort to show our appreciation to our military and hope we can count on your full support in prayer.

Some of our soldiers are very far from home and it safe to assume they get homesick, especially during the holidays.

It is our hope these items bring a little home to them. It is a way that our children can thank them for doing their part to keep us safe.

If you are interested in donating a few items, we have a list located at the PSR alcove in the gathering area. Our last day to collect will be November 6th, our last class before Veterans Day.

DECEASED
