******NEED VOLUNTEERS!! We need 3-4 volunteers for July 29th. Please email the Parish Office if you are available. ******

During the last few weeks following Pentecost, the church celebrates a few special solemnities/feasts – Holy Trinity, Corpus Christi, Visitation of the Blessed Virgin Mary, and the Most Sacred Heart of Jesus. While technically now in Ordinary Time, the church continues to remind us of the unconditional love that God has for us in sending His beloved Son Jesus, born of our Mother Mary; it's as if the church wants the glorious Easter Season to continue throughout the whole year! We are an Easter people as we celebrate the Paschal Mystery at every Holy Mass! While at the Mass the vestments will be green indicating this particular season in the church, there is nothing ordinary about what happens when we gather on Sundays (and any other day) to be nourished by His Body and Blood! What a wonderful gift from our loving God! And you who serve God and His church as Extraordinary Eucharistic Ministers radiate that love of Christ when you visit the infirmed in hospital from our parishes. When it comes to giving Holy Communion to members of the church whether it is during Mass or outside of Mass, the church's ordained (i.e., bishops, priests and deacons) are considered to be the "ordinary." All others, like yourselves are "EXTRA-ORDINARY!" While this may be canonically interpreted to mean "not ordinary" or "not the usual," you clearly provide an **EXTRAORDINARY** service. You radiate the love of Christ to all that you encounter at the hospital and the church cannot thank you enough! Know that I keep you in my daily prayers as you visit our sick and bring Christ to all you minister to at SSH.

Yours humbly in Christ's service - Deacon Tim

OVER PLEASE --->

P.S. Dave and Mimi Robison have recently stepped down from Hospital Ministry after many years and I have adjusted the schedule. I keep trying to get more volunteers to lighten the load. If you have any suggestions, please pass them along to me. (We will soon welcome one new EM to our ranks – Phil Walsh – when he clears the hospital mandated training he will join our list – hopefully by October – but maybe late July!!)
