SUMMER READING ASSIGNMENT 2019

This summer incoming 6th graders are required to relax and have fun. They are also required to read 3 books. The first book is the novel, Number the Stars, by Lois Lowry. It is available at any bookstore and in any library. They will answer the attached questions. They must follow the directions on each page. Of the other two books, one book should be a biography or autobiography of their own choice. The third book should be fiction, also of their own choice. These two books should be books they have not read before this summer. Please list the author, title, and the number of pages below.

P.S. Students must have their parents' approval for their book choices.

"Number the Stars" Book Review

Rate this book and explain your reasons on whether you would recommend the book for others to read. Color in the number of stars you feel this book deserves. Write a short paragraph explaining your feelings on the book and give specific details on why you did or did not like this book.

1 Star = Terrible 2 Stars = Not Good 3 Stars = Just Okay
4 Stars = Good 5 Stars = Excellent, Highly Recommend

The form consists of a large rectangular box with a thick black border. At the top of the box, there are five five-pointed stars drawn with dashed lines, intended for coloring. Below the stars, there are seven horizontal lines spaced evenly down the page, providing space for the student to write their review.
