

Jesus is Lord.

June, 2019

Dear Middle School students and parents,

Below, you will find a list of supplies you will need for my classes. I have found that Dollar Tree, Walmart, or Target are the best stores for inexpensive supplies. I have tried to trim down this list because you will need to carry your supplies with you. So, do not bring anything extra.

1. 2 black or dark blue pens.
2. 2 no. 2 pencils with erasers. Please, no mechanical pencils.
3. A good pen/pencil eraser.
4. A small zippered pouch that fits a 3 ring binder for holding supplies.
5. 2 sturdy pocket folders for handouts.
12. An inexpensive pad of white drawing paper, 9 x 11 in. approx. NOT spiral bound, NOT newsprint. It is very important to stay close to these dimensions.
13. Colored pencils AND colored markers.
14. A black composition notebook.

In addition, you will need some supplies for projects as the year progresses. You will get the details when the assignments are given. Typically, you will use poster board, a trifold, file folders etc. for these. Again, Dollar Tree is a good source for inexpensive supplies for project assignments.

Please make sure you replace any supplies that run out. It is very frustrating when children are unprepared for class and have to borrow from other students. Some children are inclined to make this a habit and it is unfair to the other children in the class.

I look forward to teaching you this year.

Sincerely,
Mrs. Fierro.
