Religious Education Ministry Positions:

Each class will need a minimum of two adults to teach our children. We would be grateful if you could be the lead catechist or an assistant catechist. The lead catechist would be the main one responsible for putting together the lessons and teaching the class. The assistant catechist helps by handing out material, help teach the class, help keep the children under control and anything else that would add to the learning experience for the children.

As a lead catechist or assistant catechist, you will receive a 50% discount on tuition for your children.
