Stewardship

A Way of Life

“Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?” JAMES 2:5

What is more important – being rich in faith or rich in possessions? Society teaches us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first in all things and realize that material things really don't matter and that it's more important to share with those who have less.

Respect for Life

“The right created by the Supreme Court in Roe is a constitutional right of some human beings to kill other human beings. I do not mean for my description to be provocative, but simply direct - blunt about facts. One need not presume that the human fetus has a right not to be killed in order to recognize that, as a descriptive matter, Roe creates a right for one class of human beings to kill other human beings.”
