College Students – Attend for FREE
Women and Men of any age
Skills desired but not required
Anyone feeling called to serve the poor

You?

What?

Repairing homes for those who are not able to do this for themselves due to financial and/or physical constraints. Windows, siding, steps, porches, roofs, plumbing, whatever is needed to make homes **safe, dry and livable**.

Where?

Preston County, WV. Two hours south of Pittsburgh, this area has been devastated by natural and socioeconomic disasters. We partner with the **Catholic Church of Preston County Summer Home Repair Program**.

Why?

Jesus asks us to do it.

“Whatever you did for one of these least brothers of mine, you did for me.” Matthew 25:40

It fills us with JOY

“Coming down with friends and family to serve others and bring them joy, but also have them bring their joy to us.”

Devin Bluemling 2017 HS Senior

When?
