Most Holy Body and Blood of Christ June 3, 2018

Today's Gospel gives St. Mark's account of Jesus gathering his disciples for a last supper, revealing to them a new covenant established through his own sacrificial blood. Every time we participate in the Eucharist, we make a pledge to renew & deepen our participation in Christ's covenant in practical ways. For the steward, that means making daily, personal sacrifices to strengthen this covenant relationship such as deepening our relationship with the Lord in prayer, supporting our parish, & giving comfort to the poor. Now is a good time to reflect on what we can do to strengthen our covenant with the Lord & our community in practical ways.
