Twenty Fourth Sunday in Ordinary Time September 16, 2018

St. James asks what our love for Jesus Christ can possibly mean if it does not result in action on behalf of, and to benefit, our neighbor. He suggests that faith in Jesus Christ is demonstrated most profoundly in our care for the needy, the suffering, and the underprivileged. Stewardship includes proclaiming the Good News by putting our faith into action on behalf of others. In what ways have we been willing to make sacrifices and renunciations for the sake of Jesus Christ and our neighbor?
