### Twenty Ninth Sunday in Ordinary Time October 21, 2018

In today's Gospel Jesus teaches his disciples that whoever wishes to be great among them must be a servant, just as he came to be a servant. If we are to embrace fully the spirituality of stewardship, we must embrace the belief that "everything we have is a gift from God." We must develop "the attitude of gratitude." Prayerfully consider what will help you realize more fully that everything we have is a gift from God. Today is World Mission Sunday – a reminder of our call to be good stewards of the Gospel and to support those who make evangelization their servant ministry throughout the world. How do we serve the Gospel in our daily lives?

How do we support others who serve those who have never heard the Gospel or who have chosen to reject the Gospel of Jesus Christ?
