

Remember a special person or occasion with our
SPS Gift Book Program

The Gift Book Program is a unique way to commemorate any occasion or honor an individual while directly enhancing one of our most valuable educational resources, the Saint Paul the Apostle School library collection. Your generous gift will not only increase the selection available to students today but will be used and appreciated by our school community for years to come.

How the program works:

1. Determine the amount and type of book you would like to gift.
2. Fill in this form. If you have any questions please contact us at library@saintpaulschool.org.
3. Return the form to the school office along with payment.
4. The book(s) will be purchased from our wish list based on your selection and a commemorative bookplate will be placed inside.
5. Your gift will enter library circulation ready for students to enjoy.
