## DISCIPLINE

Student behavior while in Kids' Klub is expected to be consistent with that during regular school hours, as outlined in the section Discipline Code of Student Conduct of the St. Monica Catholic School Family Handbook.

Our first priority is to help the child maintain self-control and preserve his or her dignity. We accomplish this by setting realistic goals, upholding expectations consistently, and encouraging kids to talk to each other to work out problems. In the event that a situation warrants disciplinary measures, students will always be treated with respect and understanding. No child will be excluded from outdoor play as a disciplinary action, if the child has not been provided with these opportunities at other times of the day. Timeouts will be issued by the Director for any serious offenses including: abuse of any form, participating in or instigating a fight, serious disruptive behavior, inappropriate language or gestures, or disrespectful behavior of any kind. Kids' Klub Discipline Referral Slips can result in the suspension/expulsion of a student from Kids' Klub. Disciplinary action for serious offenses lies solely at the discretion of the director.
