Kids' Klub has made me aware that a preschool licensing notebook exists. This notebook contains all licensing inspection reports, special investigation reports and all related corrective action plans from November 28, 2012 to the present. The notebook is available to parents for review during regular school hours. Licensing inspection and special investigation reports from the past two years are available on the Bureau of Children and Adult Licensing website at www.michigan.gov/michildcare.

Parent Provides Food:

As the parent or guardian of a child attending St. Monica Kids' Klub, I understand that I am responsible for providing appropriate and healthy snacks for my child each day s/he is in attendance. Kids' Klub is a nut free program –NO PEANUT OR NUT PRODUCTS. I understand that if I do not provide healthy choices, my child will be provided a healthy option and I will be billed accordingly.

I understand that all snacks need to be labeled with the child's first and last name and the date the snack is to be eaten.
