ENVIRONMENTAL STEWARDSHIP: Environmental Stewardship Tip for Summer: Did you know that the third greatest human contributor to carbon emissions is food waste? As much as one third of the food raised or produced does not make it from farm or factory to table. (Drawdown, Ed. Paul Hawken, p. 42) Take advantage of the availability of locally grown fresh fruits and veggies this summer that come right from farm to table. This helps eliminate waste, supports our local farmers, and treats us to God's bounty.

MASS INTENTIONS and WEEKLY MEMORIALS at ST. PAUL'S: If you wish to schedule a Mass for a deceased family member or friend, or in honor of someone, or for a special intention, please call the Parish Office at 315-773-5672 and/or contact St. Mary's Church, Evans Mills, NY at 315-629-4678, or drop your request in the collection basket. (Mass offerings are \$10.00.) Also available is Sanctuary Candle Dedications, Eucharistic Host and Wine. (These memorials are \$3.00 each.) Any one of these is a wonderful way to honor someone with a loving memorial. All will be published in the bulletin.
