You are Christ's Body and Individually Parts of It – The image of the Church as the Body of Christ is described in great detail by Saint Paul in today’s second reading. His words should inspire us as we come to understand that, no matter our gifts, we contribute to the life of the Church and work of making Christ known to the world. His words should also console us to know that we do not suffer alone. When any one member of the Body of Christ is hurting or in distress, the entire

Church and her people are there to share in their pain and support them as they are strengthened. At the same time, to understand the Church as a Body, a unity of many and varied parts, is a challenge to us. There is a tension between what I want and what is good for me, and what is good for another and for all. As we continue our journey *On Mission for The Church Alive!* our goal is to strengthen and grow the Church as the Body of Christ. That means each of us should seek to be strengthened in faith, hope and love, too. Each of us has a role to play in making the Church ever more alive!
