Isn't This The Son Of Joseph? – In today's Gospel we find Jesus in the synagogue in Nazareth, his hometown. He proclaims that he is the anointed one of God, and that he has come to renew the world in fulfillment of what the prophets foretold. The people are amazed by his words, but they also question him. They know him as the son of Joseph, the carpenter. To them he is a simple man from a simple family. While they are attracted by the words that he speaks, they

wonder how he could possibly do the amazing things that he speaks of. As disciples of Jesus, we are called to share his life and love with everyone we meet. Often, we feel called as missionaries to help those in need in other parts of our city, throughout our country, and even halfway across the world! Yet, sometimes we can feel most challenged in proclaiming the Good News of the Gospel in our hometown or home parish. We wonder how we could possibly be effective witness of Jesus to the people who know our weaknesses and who have seen us at our less than best. Be confident! This is the exact witness that the world needs. As we continue our journey On Mission for The Church Alive! we are invited to be effective witnesses of the Gospel both near and far.
