From: Mrs. Sullivan

Dear Parents,

Eighth grade CCD is an action-packed year! We have many goals to achieve and one of the greatest ones is preparing for the sacrament of confirmation. Participating in this sacrament is an enormous step and we are going to begin our preparation for it right away. Confirmation itself will likely take place sometime in the late spring; however we could be scheduled as early as February. I will let you know the date as soon as I know.

Each student seeking Confirmation is required to fulfill the Confirmation requirements by the established deadlines in order to be confirmed this year. Each student has been given a red folder which contains:

- A timeline detailing some important dates for the year
- Sacramental Candidate Registration form
- A summary of the Confirmation requirements
- A Confirmation Saint form
- A Confirmation Sponsor form
- A Community Service Hours Record Sheet

Please review all of the papers in the red folder with your child. It is important that both you and they know what is expected of them during the confirmation process. Then please sign and return the lower portion of this sheet to me by **Sunday, September 22nd**.

Thank you for taking the time to look all of this over. If you have any questions please don't hesitate to ask. I can be reached by email at **1969mlgs@gmail.com**

My child has shown me their Confirmation Folder and I have read and reviewed all of the contents with them.
