

Fourth & Fifth Grade

The fourth and fifth grade students have combined their efforts in service. As a group they have been sending cards of encouragement and handmade gifts to the seminarians throughout the school year. Some of these items include. We know the seminaries dedicate a lot of their time to local churches and want to do our part in helping them stay focused in their calling for their vocations.

In addition to supporting the seminarians of the Diocese of Pittsburgh, the fourth and fifth grade classes also choose an angel from the tree in the Church and purchased gifts for those in need.
