

GENERIC CHRISTMAS SCRIP

This year, we are again offering the generic S&C gift certificates during the Christmas season. These certificates can be used as gifts for IHM teachers and/or staff and are available in \$5 denominations. (Example \$5, \$10, \$15, \$20, \$25, \$100 etc)

The generic S&C gift certificate can be redeemed for any retailer listed on our order form. The purchasing family will receive the appropriate credit upon redemption of the gift certificate. This program was very well received by both families and staff in the past years. Parents earn tuition credit and the guess work is taken out of gift buying. The teachers/staff can redeem the certificates for stores they frequent and buy things they really need and want.

These generic gift certificates can be purchased for IHM teachers and staff only. They will be numbered for proper tracking and crediting purposes. Sample gift certificates will be available for you to see on Thursday evenings and Sunday mornings when scrip is sold.

If you have questions or concerns regarding this holiday program please call the scrip order line and leave a brief message and I will return your call. To order these certificates simply call the scrip order line and state how many you need and the denomination requested. If you order using the paper order form, just write in at the bottom of the form the number of certificates needed and the denomination requested. Please leave the name of the teacher/staff you are purchasing for also, so it is easier to track. These certificates will be available starting the week of November 16th. Thank you!

Trish Campbell
